Platform

Elevate your working day with a **Platform**.

With many of us working longer or more flexible hours, it is vital to make sure your monitor is at the correct and comfortable height. Available in two widths to suit different screens and desk space, Platform's minimalist design ensures that your display is always lifted. With a handy removable tray to pop your bits 'n bobs in, Platform keeps your desk tidy all day.

Platform is also compatible with Mosaic hanging accessories for extra organisation of your smaller, day-to-day desktop items.

Work comfortably and clutter free with a Platform.

Steel screen stand and accompanying tray.

Anti-slip, scratch free fabric top.

Available in two widths.

Discreet rubber feet.

Designed and made in the UK.

2 year guarantee.
